Thank You for booking your band at Goose Island *Wrigleyville*. Please review this advance sheet so we can have a successful event. We are a 200 capacity brew pub with **no walk up draw**. If your band cannot draw 25+ people through your own networks and email list don't confirm a date. Shows are 21+ and start at 9pm unless we have made other arrangements. We charge for the show at the entrance into the back bar. Make sure your fans know the name of your band because that is how you get paid at the end of the night. You can settle anytime after your performance. Media list and other policies below.

Bands should never cancel but in the event you do - find a replacement that will fit your genre and draw 25+ people.

**Goose Island is operating as normal for all of 2011. If anything changes you will be the first to know.**
